and NAPC Prairies Female Representative
Alex George – NAPC Prairies Male Representative

Re: National Aboriginal Day – June 21st, 2009

Greetings Sisters and Brothers of the Prairie Region:

On Sunday, June 21st, from coast to coast, we celebrate National Aboriginal Day. Across the Prairie Region our members will attend various events and activities in their respective communities. National Aboriginal Day is held every year to honor the Aboriginal Peoples' culture. Events take place all over Canada such as opening and closing prayers, traditional dancing, fiddling and jigging, traditional feasts, and entertainment by Aboriginal artists.

The following website has information on a National level of activities and celebrations for National Aboriginal Day: www.aboriginalcanada.gc.ca. This site also has a calendar of events that lists activities that are held throughout the year.

We encourage you to attend National Aboriginal Day activities in your community on June 21st, and celebrate Aboriginal culture, food and traditions!

If you would like any information on the National Aboriginal Day please contact either Alisha Bigelow or Alex George and we will look into events in your area.

Thank you,
Sister Alisha Bigelow and Brother Alex George
