

School Supply Drive

Support the families of our brothers and sisters on strike at the Winnipeg Airport

The Regional Women's Committee is asking for your support and solidarity with our sisters and brothers from UCTE Local 50600 who are strike at the Winnipeg Airport. The Local has been out on the line since July 24. With school starting up shortly, we want to assist their families to prepare for back to school.

How can you help?

- Purchase a backpack and fill it with basic school supplies as a Local or on your own
- Cash donations are also accepted for the purchase of items
(Cheques payable to the "Winnipeg Regional Women's Committee")

Drop off school supplies or cash donation at the PSAC Regional Office at **Suite 460 - 175 Hargrave St.**, or contact us for pick up at **204-947-1601**.

Any school supplies or cash donation not used by the UCTE Local members will be donated to a school in need. Please have all items delivered by **Wednesday, August 23**. Thank you for support!

In Solidarity,

Sheilagh Hanson
