

Prairie Region Council Rep Reports September 2021

N-W MB Geo Rep Michael Weisgerber

PRC Report

September 2021

It is my privilege to serve as the Prairie Region Council Representative of North-West Manitoba Geographical Area.

Since the convention it has been my pleasure to have attended several events and conducted duties in my capacity as the Geographical Rep.

Outreach

During the last reporting period I have attended and supported events within the region as well as WestMan Area Council events. This included events such as the last WMAC Meeting and virtual PSAC meetings on the current mandate and Federal election strategy. The WMAC meetings are held virtually and open to any Local in the Geographic Region to participate. I provided some assistance to the EB group ensuring they had some PSAC resources to assist with recent workplace actions. I am available to assist in any way I can and can be reached at my contact info on the PRC website.

Future

Unfortunately looking forward several issues lay ahead of us, including the ongoing problems with the Phoenix pay system. Several issues surrounding the upcoming election and the result as well as returning to workplaces in a prudent manner with Covid concerns. Hopefully all members will continue to participate and we keep our messages fresh and current with evolving information, campaigns, and continued activism. With solidarity we can continue to push for resolutions and safe workplaces.

In Solidarity,

Michael Weisgerber
