

## Prairie Region Council Rep Reports September 2021

Report for Tim Hubick PWD Rep. September 3, 2021.

Since being elected there has not been tons of activity to report. The following is a list of the activities I have done.

I have helped a member with their duty to accommodate. This is a on going process with both their physical and mental health accommodation.

I have attended the South Saskatchewan human rights committee meeting.

I have encouraged members to apply to the national human right conference.

I have attended the national area council call.

I have encouraged members to educated themselves on the election and the different party's platforms. Encouraging them to ask the questions of candidates that matter to them. I have encouraged members to get out and vote in advance and mail in ballots as well as getting out to vote in person.

I plan on attending the webinar on Federal Election Issues.

Challenges that I for see currently is the return to physical workplaces post covid both mental and physical health for all members.

Getting members out to vote as many have concerns with covid.

Future to be in contacted with all HRC to find out the issues and ideas they have going forward this outreach will begin to take place in the next few weeks.

I look forward to working with all PRC members both those returning and new members to the PRC.

Submitted in solidarity
